Subject: About My Hostel Life

Dear Rahim,

I hope you are fine by the grace of Allah. I am also fine. Today I am writing to you about my hostel life at Dhaka Residential Model College.

My hostel life is very enjoyable and disciplined. I live with my classmates in a large room. We wake up early in the morning and follow a fixed routine every day. Our hostel superintendent is very caring and helpful. We also get healthy food and clean rooms here.

Besides studies, we play football and cricket in the evening. At night, we study together in the study room. Living in the hostel has taught me discipline, punctuality, and cooperation. Though I sometimes miss my family, I enjoy hostel life very much.

No more today. Give my regards to your parents.

Your loving friend,

Tarif
